Health precautions

- When operating the unit, play in a well-lit room and keep a safe distance from the TV screen.
- Avoid prolonged use of the system. Take a break of about 15 minutes during every hour of play.
- Do not use the system when you are tired or short of sleep.
- When using headphones, do not turn the volume up before putting the headphones on. Also, do not listen at loud volume levels for extended periods of time. Stop using the system immediately if you experience any of the following symptoms. If the condition persists, consult a doctor.
- Lightheadedness, nausea, or a sensation similar to motion sickness.
- Discomfort or pain in the eyes, ears, hands, arms, or any other part of the body.

Use and handling precautions

- This disc is PSP format software and is intended for use with the PSP handheld entertainment system only. If the disc is used with other devices, damage to the disc or to the device may result.
- Depending on the software, a Memory Stick Duo™ or Memory Stick PRO Duo™ (both sold separately) may be required. Refer to the software manual for full details.
- Do not use while driving or walking. Do not use in airplanes or medical facilities where use is prohibited or restricted.
- Set the PSP handheld system's wireless network feature to off when using the PSP on trains or in other crowded locations. If used near persons with pacemakers, the signal from the PSP handheld system's wireless network feature could interfere with the proper operation of the pacemaker.
- If paused images are displayed on the screen for an extended period of time, a faint image may be left permanently on the screen.
- Store the disc in its case when not in use and keep in a place out of the reach of children. If the disc is left out this may result in warping or other damage to the disc.
- Do not leave the disc in direct sunlight, near a heat source, in a car or other places subject to high heat and humidity.
- Do not touch the opening on the rear of the disc (recording surface of the disc; see drawing). Do not allow dust, sand, foreign objects or other types of dirt to get on the disc.
- Do not block the opening with paper or tape. Also, do not write on the disc.
- If the opening area does get dirty, wipe gently with a soft cloth.
- To clean the disc, wipe the exterior surface gently with a soft cloth.
- Do not use solvents such as benzene, commercially-available cleaners not intended for CDs, or anti-static spray intended for vinyl LPs as these may damage the disc.
- Do not use cracked or deformed discs or discs that have been repaired with adhesives as these may cause system damage or malfunction.
- SCEA will not be held liable for damage resulting from the misuse of discs.

PLAY THROUGH

Rotate blocks using the \otimes , \odot , \otimes , and \ominus buttons and form a colored square.

When a colored square is formed, it will be eliminated by the Time Line.

The Time Line moves from left to right.

When the Time Line passes the colored square, it will be eliminated, and points will be added to your score.

The more squares you eliminate at once, the higher your score.

When the blocks reach the top of the screen, it's Game Over.

SPECIAL BLOCKS

Sometimes special blocks appear in the game. When you form a colored square using these special blocks, a chain reaction is set off: All blocks that are the same color as the colored square containing the special block – and are connected to that square – are cleared from the screen.

Your score, ranking, characters, etc. will be saved automatically to the Memory Stick Duo (sold separately).

WARNING:

This game uses the Memory Stick Duo. At least 96 KB of space is needed to save the game. Before operating the software, insert the Memory Stick Duo.

When a Memory Stick Duo containing game files is inserted, files are automatically loaded and you will be able to continue playing with the previous high-score data.

Also, auto saves will be conducted in some situations, so do not turn the system off while the Save screen is displayed and do not remove or insert the Memory Stick Duo.

LIMITATIONS

This warranty is in lieu of all other warranties and no other representations or claims of any nature shall be binding on, or obligate Ubisoft. Any implied warranties applicable to Ubisoft products, including warranties of merchantability and fitness for a particular purpose, are limited to the ninety (90) day period described above. In no event will Ubisoft be liable for any special, incidental, or consequential damages resulting from possession, use, or malfunction of Ubisoft products. Any product refund request must occur at the place of purchase, as the individual retail outlets set their own refund policy. This policy covers identical product replacements only.

PRODUCT/DOCUMENTATION REPLACEMENTS

Please contact a Ubisoft Technical Support Representative directly before sending your product to us. In many cases, a replacement is not the best solution. Our Support Representatives will help you determine if a replacement is necessary or available. You will need to first acquire an RMA (Return Materials Authorization) number to process your return or replacement. Without an RMA number from a support representative, your replacement request will not be processed.

IF WE DETERMINE A RETURN OR REPLACEMENT IS NECESSARY:

Within the 90-Day Warranty Period: Please return the product (media only) along with a copy of the original sales receipt, showing the date of purchase, a brief description of the difficulty you are experiencing including your name, address (no PO boxes), and phone number to the address below. If the product was damaged through misuse or accident (cracks, scratches), or if you do not have a dated sales receipt, then this 90-day warranty is rendered void and you will need to follow the instructions for returns after the 90-day warranty period.

After the 90-Day Warranty Period: Please return the product (media only) along with a check or money order for the amount corresponding to your product (see replacement fees below) made payable to Ubisoft, a brief description of the difficulty you are experiencing, including your name, address (no PO boxes), RMA number, and phone number to the address below.
